Important Information

The Bacchus Marsh and District Historical Society Inc. is a not-for-profit incorporated association and staffed entirely by volunteers who provide high quality historical research services to the public and local organisations.

To cover ongoing operational costs a set of fees and charges has been established for activities such as research time, photocopying of historical documents, reproduction of photographs and postage costs.

We will endeavour to find as much information on your request as possible, but we cannot guarantee all requests will produce a favourable result.

Whether you visit in person, post, or email an enquiry, research requests will only be actioned on the submission and completion of a Research Request Form and payment of the minimum charge for one hour's work.

AUD \$25 (Excl. GST) dollars is the minimum charge to engage the Society's research services for one hour and this must be paid prior to any work commencing.

You will be contacted if additional hours of work are required to complete your request. An estimate of the extra costs will be given at that time which will need to be paid before any further work continues.
